

LarkfleetHomes

Just for you

NEW HOMES ACCESSORIES

At Larkfleet Homes, we are conscious that buying a new house is a very exciting experience and we want you to be able to help you add your own personal touches to make your new home live up to all your aspirations. To assist you, we offer a comprehensive range of items and services from our 'Just for You' list.

Helping you to create a new home that is as unique as you are...

Whether you are looking for alternative taps, extra sockets, fireplaces, carpets, curtains, light fittings or even conservatories and much much more, we can help, providing they are part of our range of options and the property has not reached or past the relevant construction stage.

We are so committed to making sure that your new home lives up to our own high standards, that in order to help you achieve this, we have created a purpose built 'Just for You' Centre, where our Sales Advisers can demonstrate the items available to you from our 'Just for You' options range. To get you started please ask for details on our 'Helping Hand Scheme' to see how you can get up to £500 towards accessories for your new Larkfleet Home.

A selection of some of the extras available from our 'Just for You' Centre

- Curtains
- Mirrors
- Door stops
- Sockets
- Handles
- Pictures
- Laminate flooring
- Fireplaces
- Furniture
- Lighting
